

BEARNOCK *Lodge*

The perfect location for an intimate Highland wedding.

You and your guests will enjoy a majestic Victorian house, nestled in magnificent rural surroundings, and the luxury accommodation that Bearnock offers. We offer two 'Wedding Stay' options.

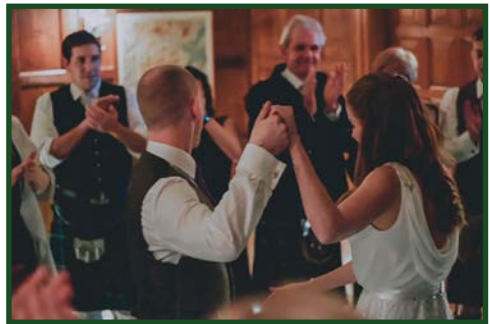

WEDDING STAY OPTION 1:

The house can be let for very small, informal weddings. There is no charge for this as long as your wedding guest numbers do not exceed the sleeping capacity for the house, twenty two people.

WEDDING STAY OPTION 2:

A small wedding with additional guests over and above the sleeping capacity of the house (maximum forty people) . In these circumstances we charge a facility fee. The amount charged depends upon the extra number of guests attending. It is usually between £50 and £500, in addition to the house rental charge*.

You may also erect a marquee on the grass 'tennis' lawn at the front of the house where external power is available, if you choose to utilise a marquee you must clear this with booking agents, Large Holiday Houses, before your stay.

** The house rental charge varies depending upon the time of year and the length of your stay. The minimum stay period is three nights. Visit lhscotland.com (and search for Bearnock Lodge) for current availability and rates.*
